How could a simple journey for a grief-stricken family, become a world-record cycling expedition, up a 22,500 foot mountain, ten thousand miles from home?
It takes nineteen years to produce an unfinished, uplifting film
- about not giving up.   88min   PG13

"TOO MUCH HAMLET FOR ME" is the crazy-making vision of local filmmaker Lois Harrison. Lois and her director of photography, Bob Fresco, will be joining us to present it, almost finished, in this test screening.
