**6:30 Monday Oct 3,**

Three estranged sisters reunite to care for their dying mother and old conflicts and secrets return to the surface. This entertaining drama set in Nova Scotia broaches topics like sibling rivalry, addiction, family secrets and relationships. It stars Molley Parker, Rebecca Jenkins, Stacy Smith, and introduced the wonderful Ellen Page in her first film role.

Written by Daniel MacIvor and an assured directorial hand by first-timer von Carolsfeld this film won Outstanding Writer Award at the Atlantic Film Festival & the Best First Feature Award at TIFF – AND is one of MM's all time favourites.

*"Marion Bridge is one of the most confident and clearly directed features to be made in Canada. Every element of this impressive production is completely integrated and beautifully performed."*

– Atom Egoyan, Director

With special guest: Rebecca Jenkins, will join us again to talk about her experience in a key role in this drama. Ms Jenkins has starred in many Canadian and international features (this is a favourite project) as well as enjoying a parallel singing career.
