6:30 Monday Aug 12, 2019

Buddy is a documentary that showcases the deep bond between human and dog and how that working and loving relationship enriches both lives. Some of the owners: a plucky 86-year-old blind woman who runs with her dog, an autistic boy explains how his loyal friend Utah can tell when he's upset, the wife of a war veteran suffering from PTSD explains that the guide dog Mister is probably the reason they're still together. 86min 2018 Pg Netherlands (well subtitled)
