P.O. Box 1047  
Ottawa, Ontario K1P 5V8

Dear Sir:

Pursuant to my letter of December 27, 1974, I am writing again to request information regarding publishing grants for the publication of materials described in the earlier letter.

I note in the Canada Council brochure, "Add to Publication and Translation," that a "descriptive folder" is available from the Explorations Program.

I am most interested in receiving the folder, as our organization has material which is completed and awaiting publication.

Thanks again for your consideration.

Yours sincerely,

Lanny Beckman  
Research Coordinator
