Dear Sir:

Re: Ruling as to Federal Sales Tax Application

We are applying herein to have Federal Sales Tax waived regarding monthly publication costs for our newspaper.

Enclosed please find the four most recent consecutive issues.

Our association is registered as a Charitable Canadian Organization and is incorporated as a Non-Profit Society under the provincial Societies Act.

Thank you kindly for your attention in this matter. We look forward to your ruling.

Yours very truly,

Lanny Beckman  
Project Coordinator
