

General...
very busy

...of the... (1901) ...

... (the... of...)

... meeting... open to all...

... important decisions open... meetings... Of course, reports...

... everyone's vote has equal weight... also... and resolve...

... meetings

... even though we are very busy, most work gets done on a more or less

... that happens is that something needs to get done and if it is right

... someone will usually do it immediately. If it is a major task or not urgent, we

... own, but co-ordinating it
... group will take the job but do it mostly on their own initiative

... group consensus as it reaches completion. There are some exceptions to this

... when people work very closely together throughout the entire task it seems
