

Business Exec

Fig 11

Success of project depends on strength of coordinate

Group as Dominant personality

appears necessary  
good at managing finances - necessary  
Common sense - not necessarily education

Bill curve

gradually start

high point

falls off as end point is in sight

Death is judge - problem at the end if not ongoing  
Prax

Proportionate is be → government has pushed up  
proportionately more

contact the people in field

sent

Application

Board evaluation

Stage A

approval

review

reject

90%

OK (cost money)

To Gov. or fed. gov for examination  
(relevant department)

B

(rejected all projects dealing with Teachers kids)

20-30%  
rejected

if MPs declared  
to set up a board  
incl. Clarke  
incl. Patterson by M.P.

Constitutional Advisory Board

10 member board in each voting set up  
People on each project

Private

projects

are project approved

Community betterment

Create jobs

Started as an economic measure  
Unemployment high

November 1971

Evolved into a social service  
Main focus ending into a social service  
(day care  
Psychiatric etc)

Place emphasis on financial responsibility

6 month funding

a lot of criticism at first  
dependency on CIP

~~try hard not to extend~~

No extensions (no redundancy) now

60-70 picked up by province

467 BC, Yukon (900 last year)

Rate SS/municipality has swung towards  
social service.

Three project is under way

(1) Financial objectives met

(2) Doing what they say they'll do

Every project visited by Audit Service to make sure books are set up.

Also visited by Project office

Subsequent visit according to need (2-3)

Monthly financial or narrative report

2 months payment to start

Subsequent monthly payments subject to report

Study <sup>Studies</sup> [ ~~Social Anthropology~~ ] <sup>Three volumes</sup> ~~Department of Social Work~~

University of Calgary

~~Dept of~~ <sup>John G. Walker</sup> <sup>Marjorie & Imogene</sup>

~~Assignment to be~~

Relative response highly favourable

Bygone ethics

↑ community awareness

→ further training

short duration

(Research person)

Rosemary Hamilton

United Community Service

resources for demographic demonstrated needs etc

# Application

## JAPER

Running  
the philosophy etc by Dr R Rowland  
financed by department of Finance USBC  
(problem like this with any large bureaucracy)

lots of book-keeping part of project.

VEEC - some problems in finance

New programme - start out / NA

467 projects · \$20,000  
10 people

4-5,000 jobs
